Sorry I meant Jim Lawrence has legislative testimony on Wednesday March 8 that may not allow him to be in Yerington at 4 that day.

Greetings,

I wanted to ask if EPA and BLM could attend a conference call with NDEP next Tuesday, March 7 any time after 11 am (between 11 to 1:30 preferred) for an hour to prep for the meetings. Once you reply I will send out calendar appointments.

Unfortunately Jim Lawrence has to testify before legislature starting at 1:30 on Tuesday and it is not guaranteed he will be able to make it by 4 pm to Yerington for a pre-meeting before the 5:30 YPT council meeting.

Greg
